Dear Rosslyn Heights East resident,

Thank you for applying for a 2023-2024 RHE parking sticker. The following application form applies to vehicles, bicycles, and motorcycles.

Rosslyn Heights East has only 59 parking spaces for its 56 units, and limited space in the 1222 and 1302 bicycle rooms. Under the House Rules, RHE allows up to two vehicle parking stickers per unit if unit residents have two vehicles. (If the residents have only one vehicle, they are entitled to only one parking sticker.) There is no charge for parking stickers.

A parking sticker may be used only by a current resident for the vehicle named in the Application for Parking Sticker. It may not be transferred to another vehicle, bartered, rented, or sold.

Once you receive your sticker, please follow these rules to avoid the towing of your vehicle or removal of your bicycle from the bicycle rooms.

RHE vehicle parking stickers:

Must be attached to the inside of the farthest back window on the driver's side. See these examples:

RHE bicycle and motorcycle stickers:

Must be adhered to the frame of any bicycle parked in bicycle rooms in the bottom levels of the 1222 or 1302 buildings, or on an easily seen surface of any motorcycle in an RHE parking lot. Reminder: Bicycle parking in stairwells or attachment to inside or outdoor RHE railings is prohibited by House Rules. Non-compliant bicycles and motorcycles are subject to removal.

The RHE Board appreciates your cooperation in ensuring that parking stickers are properly placed on vehicles, bicycles, and motorcycles and that the parking rules are followed. The RHE Board has adopted these rules to prevent illegal parking by nonresidents and to ensure that adequate parking space continues to be available for RHE residents in parking lots and bicycle rooms.

Cordially,

RHE Board of Directors
